

Material Safety Data Sheet

This is a 29 CFR compliance document

Revision Number:	1.1
Revision Date:	09-Mar-23
Product and Company Identification	
Product Name:	Liquid Ion Exchangers
Catalog Numbers:	IE200
Unit Size:	1 mL glass vial
Manufacturer/Supplier:	World Precision Instruments, Inc. 175 Sarasota Center Blvd, Sarasota, FL 34240-9258, USA For US, Toll-Free Phone: 1-866-606-1974 Fax: 1-941-377-5428 Phone: (941) 371-1003 Web: http://www.wpiinc.com Tech Support: technicalsupport@wpiinc.com
Composition / Information on Components	
<ul style="list-style-type: none">• IE 200: Component 1: Proprietary component Component 2: 2-nitrophenyl octyl ether Component 3: Potassium tetrakis(4-chlorophenyl)-borate	
Other Information	
Materials listed above are not considered hazardous, or are not present above 1%, or are not carcinogens above 0.1% as defined in 29 CFR 1910.1200, the OSHA Hazard Communication Standard. Therefore, Material Safety Data Sheets are not required. We recommend treating all chemicals with caution.	
This material is sold for research purposes only and is not required to appear on the TSCA inventory. It is not intended for food, drug, household, agricultural or cosmetic use. A technically qualified individual experienced in handling potentially hazardous chemicals must supervise its use. The above information is correct to the best of our knowledge. Users should make independent decisions regarding completeness of the information based on all sources available. World Precision Instruments shall not be held liable for any damage resulting from handling or contact with the above product.
