

# Material Safety Data Sheet

Revision Number: 1.0  
Revision Date: 09-Jan 22

## Product and Company Identification

Product Name: ISO2 Filling Solution  
Catalog Number: 7326  
Unit Size: 10 mL  
Manufacturer/Supplier: World Precision Instruments, Inc.  
175 Sarasota Center Blvd, Sarasota, FL 34240-9258, USA  
For US, Toll-Free Phone: 1-866-606-1974  
Fax: 1-941-377-5428  
Phone: (941) 371-1003 Web: <http://www.wpiinc.com>  
Tech Support: [technicalsupport@wpiinc.com](mailto:technicalsupport@wpiinc.com)

## Composition / Information on Components

- **COMPONENT A:** 1.0M KCl
- **COMPONENT B:** Potassium phosphate monobasic and sodium phosphate dibasic – buffer salt pH 7.00
- **COMPONENT C:** Inert Polymer

## Other Information

**Materials listed above are not considered hazardous, or are not present above 1%, or are not carcinogens above 0.1% as defined in 29 CFR 1910.1200, the OSHA Hazard Communication Standard. Therefore, Material Safety Data Sheets are not required. We recommend treating all chemicals with caution.**

This material is sold for research purposes only and is not required to appear on the TSCA inventory. It is not intended for food, drug, household, agricultural or cosmetic use. A technically qualified individual experienced in handling potentially hazardous chemicals must supervise its use. The above information is correct to the best of our knowledge. Users should make independent decisions regarding completeness of the information based on all sources available. World Precision Instruments shall not be held liable for any damage resulting from handling or contact with the above product.
